INTRODUCTION

Winmate's PoE Touch Display combines innovation and functionality, offering a reliable solution for industrial and commercial environments. Available in sizes from 10.1" to 15.6", it features a sleek wide-screen design with Projected Capacitive Multi-Touch (P-Cap) technology. With Power over Ethernet (PoE) support, it simplifies installation in areas without traditional power outlets. Built with front IP65-rated water and dust resistance, VGA and HDMI inputs, and USB for touch, this durable and versatile display is ideal for factories, warehouses, and digital signage applications.
